

Position Title: Pilates Instructor

Employer: Move Health Services Pty Ltd

Application closing date: 14/2/2018

Job Start date: immediate

Work Type: FT, PT, after hours and weekend available.

Salary: Set fee per session. Or sliding scale of fee % split

Location: We have positions at our clinics in: New Farm, Brisbane CBD and Alexandra Hills.

About Us:

We are looking for a reformer trained Pilates Instructor who would like to work in a musculoskeletal injury and rehabilitation setting along side Osteopaths, Physiotherapists and Massage Therapists.

MOVE is a busy Allied Health Care clinic in Brisbane delivering an integrated solution to musculoskeletal pain and rehabilitation. We have a Pilates studio with reformers, half trapeze, wunda chair, mats, balls etc and a separate rehab gym with power rack, dumbbells, kettle bells, balls, bands etc

Owners, Dr Kellie Rawlings and Dr Giulian Di Venuto both graduated from the Victoria University Osteopathic Medicine program in 2002 and 2003 respectively. Both have lectured at University level teaching clinical sciences, clinical diagnosis, patient management and manual therapy.

With 30 years of clinical experience between them, Giulian and Kellie have put together a structured mentoring program to specifically 'fast track' the development of patient management skills, clinical communication and to facilitate a multi modal solution to musculoskeletal pain and dysfunction where Pilates is central.

About you:

You really love what you do and it is important to you to not only achieving outstanding results but to create a memorable and outstanding client experience.

You are passionate about Pilates, trained in reformer Pilates method and have a strong interest in musculoskeletal rehabilitation and performance optimisation through movement and exercise.

If you are interested in this fantastic opportunity and would like to submit your application, please send a cover letter and resume to giulian@moveosteopathy.com.au
